Gentlemen:

The next meeting of the Texas State Farmers' Institute will be held at College Station, Texas, July 17 and 18, 1914. The railroads have very kindly and generously agreed to issue transportation in behalf of delegates to said meeting on the basis prescribed in the Constitution of By-Laws of the State Institute which is as follows, to-wit: One delegate-at-large and one additional delegate for every twenty-five members of the local or county institute or majority fraction thereof, provided no institute shall be entitled to more than ten delegates and that such delegates or delegates do not exceed within any of the classes prohibited by the provisions of the amended Anti-Pass law, list of which is here-

with enclosed for your further information.

In order to facilitate the issuance and forwarding of transportation herein mentioned and to avoid all unnecessary delay and anxiety in connection therewith and to insure its receipt in ample time by each delegate so that he may have time in which to arrange to attend said meeting and also to give me time to perform the necessary work in connection therewith, I suggest that you convene your local or county institute to a meeting for the purpose of electing your delegates on the basis of representation above mentioned, not later than the 6, 1914 reporting to me immediately thereafter upon the blank herewith enclosed for that purpose, the name, postoffice address, etc., and all other information in connection with such delegate called for up on said blank.

Heretofore a degree of tardiness has been exhibited by a number of institutes in complying with instructions relative to the election of delegates and supplying the necessary information in connection therewith until such time as rendered it impossible to secure transportation in order therefore to avoid confusion, delay and unnecessary correspondence be careful in certifying the names of your delegates to furnish me with all information called for on the blank herewith herewith enclosed.

It is also important that you furnish me with the name of your institute, a certified list of the officers and membership and to state the membership thereof, and to state the postoffice address of each. I am enclosing you herewith for our convenience business which I shall thank you to call to the attention of your members, any of whom will be invited to any or all of this meeting a request thereby.

The next meeting of the State Institute will be held at the annual meeting of the Texas State Farmers' Institute in the interest of the railroads which will be sent to each delegate along with his transportation which must be secured through this office and as indicated herein.
